And hear the call	570	And, in God's service	84	And let her henceforth	720	And make our hearts	137, 295
And hear us while	149	And in heaven's time	800	And let His name	111	And make our lukewarm	147
And hear within her	471	And in her left	589	And let His word	229	And make the broad	486
And hearest the young	195	And in his hand	444	And let it guard	583	And make the covert	671
And hears the worshipper	598	And in His kind	554	And let me cease	586	And make the mountains	517
And hear'st the mourner's	70	And in its shade	486	And let me now	490	And make this world	447
And heart of God	354	And in my soul	268	And let me see	490	And make Thy creature	851
And heaven and nature	344	And in our secret	150	And let my early cries	64	And make Thy glories	122

And heaven is all	242, 798	And in the awful	680	And let our joys	62	And make us know	545
And heaven its happiness	305	And in the church	825	And let our ordered	691	And make us temples	569
And heaven on earth	70	And in the dangerous	93	And let our treasures	597	And makes each morn	497

And heavenly gales	476	And in the morning	140, 623	And let the pilgrim's	729	And mak'st the cliffs	211
And heaven's eternal	341	And in the paths	668	And let the prospect	446	And man and beast	789
And heavens which	302	And in the spirit-land	270	And let the spacious	111	And man at war	343
And heavy grows	716	And in Thee live	712	And let the storm	505	And man even from	117
And help divine	606	And in this fleeting	825	And let them learn	616	And man in heavenly	447
And help me still	669	And in thy closet	291	And let Thine everlasting	172	And man, in louder	214
And help me to resign	286	And in Thy goodness	653	And let this hallowed	435	And Man's true aim	483
And help us as we	416, 716	And in Thy light	230	And let Thy servants	301	And many a bitter	657
And help us, this and	134	And in Thy name	106	And let Thy spirit	780	And mark each suppliant	112
And her dear memory	720	And in Thy view	655	And let Thy will be	198	And may his life	820
And her foundations	471	And in your harvest	787	And let us stray no	457	And may that grace	112
And her rewards	589	And infant voices	404	And life and health	472	And may this consecrated	283
And her unending	471	And it seems that	531	And life and light	326	And may we, while we	114
And here all day	630	And its fairest	318	And life, brief life	836	And meekly wait	213, 645
And here their purest	77	And its vesture	742	And life by trials	718	And meekly yielded	389
And here Thy mourners	823	And Jesus has	408	And life eternal	701	And men be brothers	488
And here Thy poor	823	And join the everlasting	412	And life smile on	85	And, 'mid the wreck	724
And he's an heir	863	And join with those	414	And life's long warfare	711	And midnight like	172
And Him my only	863	And joy and hope	477	And lift our life	666	And midst the brotherhood	703
And His banner	857	And joy and peace	300	And light and life	433	And midst the dark	277
And His countenance	233	And joy and reverence	408	And light its vapor	98	And midst the terrors	216
And His forgiving love	667	And joy from heart	841	And light shall glance	731	And mingles, with the	204
And His hands formed	832	And joy hath budded	664	And like a giant	143	And mirrors every star	200
And His lone watch	407	And joy like the sunshine	34	And like benighted	757	And more intense my love	574
And His paternal pities	229	And joyous thanks	787	And linger, shivering	735	And morn be lost	478
And His that gentle	771	And joys and tears	496	And lips on which	72	And morn with eve	118
And holier names	225	And, just before	352	And live and die	448	And morning mercies	135
And holy, conquering	567	And Justice, from her	465	And live to Thee	657	And morning, noon, and	580
And honor bright	589	And keep it still	522	And lives eternal	842	And mortal need	728
And hope and comfort	612	And keep possession	493	And lo! above	721	And mortal spirits	572
And hope at last	68	And keep us all	184	And lo! from sin	495	And my couch with	230
And human life	18	And keep us in Thy	239	And long Thy praise	170	And my empty soul	307
And humbly bow	3	And keep us in His	792	And loose the bonds	25	And my eyes, O God	154
And humbly learn	435	And keep us through	338	And lose in this	549	And my last hour	552
And humbly pray	448	And kind to all	535	And loud hosannas	119	And my soul from death	154
And hungering souls	600	And kindle in our	334	And love and meekness	472	And my whole being	520
And hurry I withdraw	185	And kindling hearts	21	And love be all in all	649	And nature's self to	103
And hushed within	97	And kindling to that	464	And love brings back	303	And nearer still	483
And hymns of glory	65	And kindness in our	356	And love has overflow	599	And nearer to the Lord	440
And hymns of praise	87	And kneel before	882	And love not Thee	440	And never brought to	839
And I, a pilgrim	852	And know the glorious	530	And love this sight	201	And never can forget	441
And I can trust my	298	And know Thou hear'st	573	And loved Thee with	126	And never from His	31, 126
And I found comfort	651	And knoweth more	719	And loves to have it	630	And never look in vain	624
And I hasten to	746	And labor in distress	636	And loving hearts	147	And never stand still	826
And I must rest	278	And labor to be found	109	And loving thoughts	765	And never withering	735
And I, perhaps, am	140	And land us safe	695	And lowly mind	501	And new and nobler	485, 494
And I shall be with	414	And laud and magnify	66	And loyal to the Lord's	233	And new-create the	338
And I, when life is	132	And lead me through	668	And made thee heavenly	94	And next to leave	805
And I will walk	678	And lead to endless	315	And make each dark	613	And nightly to the	194

And night's alternate	575	And penetrate my	588	And run in equity	477	And soft the sounds	98
And night's dark hours	139	And penitence hath	656	And rule my course	571	And soft the sunbeams	116
And night's dark mantle	132	And perfect liberty	517	And safe beneath	517	And sometimes streaks	670
And nights of lingering	831	And perfect us in love	439	And safe is such	553, 678	And songs of auld	839
And no immortal soul	394	And place Thine image	489	And safe we're borne	663	And soon my saintly	736
And no rude storm	765	And place us, when	99	And sailed through	602	And soon or later	457
And not a prayer	128	And plain before my	148	And saints on earth	508	And soothe my pains	654
And not in vain we	235	And pleasures banish	735	And sanctifies my joy	654	And sorrow crown	725
And not sometimes	514	And pleasures kill	544	And scan His work	405	And sorrow lay its	836
And not the words I	509	And plenty fills	835	And scatters healing	584	And sorrows like the	526
And nothing can I	698	And plunderers of	101	And seal its claim	437	And sought, but never	194
And nought desire	501	And portion evermore	536	And seal me for Thine	126	And spangled heavens	156
And nought is ill, nor	674	And pour around	830	And seal me Thine	836	And sparkling stars	676
And now we fight	779	And pour contempt	17	And see at last Thy	735	And speaks of heaven	771
And now with hymn	555	And pour our wishes	232	And see your Father	446	And speaks of high	598
And—O sweet thought	609	And pour Thy living	119	And, seeking thee, itself	355	And speed me to my	713
And o'er me hold Thy	544	And pours increasing	548	And seem by Thy sweet	285	And spend the hours	315
And, of all things on	514	And powers of earth	31	And sees the tempter	573	And spend them in His	630
And, of Thy mercy	775	And praise on every	119	And sees the world	692	And spirit, apprehend	206
And offer notes divine	788	And praise the Almighty's	506	And seize it with	602	And spotless here below	439
And oft escaped	850	And pray that this may	18	And send it from	633	And spread the truth	194
And oft repeat before	701	And pray to be forgiven	356	And send its glorious	443	And spread Thy shield's	133
And oft Thy voice	790	And prayed the Eternal	825	And send the echo	791	And spring eternal	873
And oh, if thoughts	381	And prayer is made	200	And sends the early	835	And springs, my guardian	133
And oh, Thy servant	709	And prayers of tender	825	And sense and sin	125	And stay and strengthen	596
And oh, when gathers	28	And preserve us, day	162	And serve the cause	552	And stay my heart	642
And oh, when through	562	And press with vigor	603	And set each thought	726	And step by step	481
And Olivet's brow	602	And prophets crowned	190	And set the age-dimmed	610	And still direct	556
And on earth peace	883	And prophets praised	23	And set the captive	477	And still implore Thy	29
And on his lone, unshel	390	And prove Thy good	571	And sets to every	227	And still is ours to-day	792
And on His mercy leaning	379	And publish with	683	And shall be evermore	792	And still it leads	443
And on its flowing hen	510	And publishes to every	194	And shall I fear to	602	And still more freshly	340
And on the eyeballs	341	And pure devotion	824	And shall it ever be	475	And still that peace	497
And on the theme	389	And purer worship	717	And shall man alone	346	And still the cry is "On!"	801
And on the waters	390	And purest pleasure	707	And shall not we	791	And still their heavenly	343
And on Thy care	297	And purify ourselves	118	And shall we fear to	382	And still Thy mercy	793
And on Thy watchful	64	And purity and love	637	And shall we in dismay	381	And still thy strength	509
And only man is vile	480	And purple, gold	837	And Sharon waves	331	And still to things	571
And only pray to grow	833	And put a cheerful	572	And shepherds every	519	And still where evening	128
And onward urge	603	And put your armor on	608	And shining through	233	And still with each	132
And open vision for	756	And quench the kindling	522	And short the dominion	864	And stillness of this	141
And our aching brows	541	And, quickened, would	416	And, should I faint	197	And stir desponding	679
And our blind choosing	428	And quickening energy	578	And should I fainting	778	And, strengthened here	142
And our communion	516	And quickens all my	135	And show a brother's	841	And strife and war	793
And our couch become	55	And raiment fit provide	536	And show His saving	809	And, strong in Thy	679
And our devotion dies	189	And raise my head	547	And show ourselves glad	882	And suffered them	812
And our eternal home	317	And raise this feeble	578	And show the model	590	And summer's fragrant	847
And our home may not	387	And raise to heaven	66	And show Thy presence	92	And summer's golden	835
And our inmost being	287	And raise to Thee	27	And showers in sweeter	221	And sung a song	727
And our love His gifts	11	And raise your soul	518	And shows new wonders	313	And sunny beams	670
And our souls by Thee	181	And raised their hymn	786	And shrink beneath	278	And surely truth	299
And our souls in pure	53	And reach at last	676	And shuns not pain	604	And surrender all	540
And our spirits shall	854	And reach the heavenly	839	And sighs her God	96	And sweeps each lingering	482
And our talents improve	826	And reach the saints'	713	And silently, in	845	And sweet refreshment	681
And ours to bless	663	And reaches to the	638	And silver waves	765	And sweetly distils	329
And own our gracious	430	And read Thee ev'rywhere	201	And simple trust	534	And sweetly every moment	415
And own your gracious	629	And ready all appear	607	And simple truth	564	And swift our feet	636
And pardon Thou	489	And realms of endless	736	And since, by passion's	583	And take me to Thy	210
And pardons every	695	And realms of infinite	707	And since He bids me	850	And teach their hearts	487
And part are crossing	109	And rest upon His	84	And sinful yet may'st	591	And tears are shed	734
And parting are no	300	And rests rest at His	426	And sing in life	659	And tempests are	471
And passion of my	779	And rides upon his	512	And sing the wonders	863	And that cannot fail	856
And patient hope	192	And right the day	514	And sleep, are chill	838	And that shall kindle	516
And pay their praise	342	And Righteousness	477	And skies, in thy	693	And that Thou bid'st	559
And peace abound	507	And ring from all	784	And sleep, like an angel	34	And that thy followers	597
And peace in humble	647	And rise at length	334	And smiling Summer	837	And the autumn	746
And peace is won through	197	And rise on strong	703	And so, 'mid boundless	210	And the best, is love	774
And peace like the dew	34	And rise through death	393	And so no more our	510	And the blessings	854
And peace rejoice	793	And rolls in every	302	And so Thy perfect	674	And the blest record	124
And, peaceful, leave	834	And rove, my soul	450	And so win life and	713	And the Deliverer	628

And the diffusive	789	And though Thy wisdom	585	And undiminished	289	And when our nightly	100
And the fugitive	826	And though we so in	328	And unto my latest	280	And when the angel	557
And the full corn	452	And though we turn us	304	And urge us on,	79	And when the eternal	523
And the grave is not	618	And threaten or	297	And use the moments	686	And when the last dread	497
And the heart faint	875	And, through each	558	And use the things	565	And when the morning	212
And the heavy night	783	And, through heaven's	456	And utter forth	104	And when the night-wind	106
And the low, mysterious	777	And, through her streets	708	And vesper hymn	142	And when the storms	494
And the mysterious	644	And, through his poverty	390	And vexed with trifling	735	And when these sorrows	716
And the night is drawing	166	And, through its changes	245	And vie with Gabriel	377	And when they do his	441
And the peace that	56	And, through the	210	And view the landscape	377	And when under fierce	385
And the people, with	880	And, through the paths	557	And views the tempest	694	And when we die	187
And the people's liberty	264	And, through the storm	489	And, vocal in each	232	And when we go the last	391
And the rocking pines	783	And, through Thy spirit's	489	And voices that once	839	And when words are all	767
And the rough wind	505	And throw its binding	22	And wait for thee	850	And, where the gospel	8
And the saints, through	741	And throws from heaven	692	And wait Thy wise	197	And wherefore should	656
And the Savior's triumph	422	And thus debase my	551	And waits to bless	224	And, whoso'er my lot	553
And the sounding aisles	783	And thus fulfil His	841	And wake dead souls	74	And whether grief	558
And the stars heard	783	And thus our warm	389	And wake in glorious	793	And which our fathers	205
And the storm above	861	And thus remember	432	And wake in Thine	865	And, while eternal	711
And the storm is	743	And thus surround	62	And walk in holiness	297	And, while hearing, let	36
And the strength of	882	And thus the eyes that	721	And walk upon the	663	And, while the tomb	673
And the sweet tasks	415	And thus Thy promised	273	And walks with man	504	And, while the world	533, 639
And the things divine	388	And thus to make it	94	And wander wide	364	And, while the years	443
And the trump that	783	And thy brother's	861	And wanderers cease	109	And, while these sacred	116
And the whole world	334	And thy day of conflict	538	And war no longer	447	And, while we crowd	130
And the woods against	783	And Thy healing grace	528	And warm and bright	18	And, while we do Thy	109
And the world is sunk	61	And thy heart with	861	And warmer glows	838	And, while we gaze	686
And the world's remotest	365	And Thy holy will	281	And warns us lest	507	And, while we speak,	607
And the world's salvation	367	And Thy rich promises	871	And was the Sinless	682	And, while we to Thy	568
And then I feel that	700	And Thy saving health	281	And watch and guard	807	And widens as it	472
And then new heart	624	And Thy unmeasured	430	And watcheth o'er	299	And wider than	136
And then pronounced	202	And time submits to	473	And watchful at	607	And will not let me	629
And then receive me	143	And to cover me He	307	And watching unto	573	And will unveil eternity	124
And then we turn away	873	And to eternity	7, 654	And ways into His	685	And wing their upward	358
And then will death	121	And to His green pastures	237	And we are the people	882	And wipe the weeping	507
And there, above thee	419	And to life's lowly	88	And we can almost	199	And wisdom from above	486
And there, from care	677	And to my cry give	631	And we can need	22	And wisdom Thee in all	138
And there its brightness	330	And to our eyes the	270	And we in love that	241	And wise to guide	428
And there, released from	19	And to our inward	25	And we in Thy great	17	And with a pure	652
And they again to	405	And to the chastened	772	And we must dwell	673	And with actions bold	279
And they must drink	95	And to the world's	378	And we receive Thy	666	And with actions brotherly	299
And they that know	779	And to thy armor cling	519	And we securely trust	326	And with deepest	179
And they who dearest	369	And to Thy glory may	220	And we shall find	81	And with him bear	841
And they who do the	94	And took their flight	8	And we shall see	377	And with its tremblings	226
And they who mourn	824	And touched the lips	232	And we shall shine	520	And with light my being	160
And they who, strong	677	And trace the Father	406	And we thy bliss	666	And with the angels	130
And Thine own image	288	And trembling faith	725	And we thy robes	666	And with the gifts	600
And things are not	618	And trim the golden	607	And we will ever trust	272	And with the morn	773
And this my joy, that	557	And triumph in my	120	And we will spend	832	And with the spirit	93
And this our one request	367	And triumphed in his	430	And wear, in endless	798	And with the treasures	341
And this Thy well-beloved	566	And triumphed once	296	And wearied nature	198	And with thy heavenly	623
And Thou art loved	586	And trumpet-tongued	844	And weary hours	723	And with thy presence	778
And Thou art perfect	831	And trust alone	642	And weary, sinful	414	And with Thyself my	130
And Thou, from whom	97	And trust His constant	681	And weary with the	241	And with wisdom	279
And Thou hast made	372	And trust His love	570	And weeds of worldly	101	And with words that help	279
And Thou hast taken	147	And trust His tender	240	And we'll convey His	205	And without praises	331
And Thou hast taught	562	And trust in things	149	And what I do in	576	And without, with	777
And Thou, my heavenly	588	And trust the God	127	And whatever I can	279	And wonders of his	344
And Thou, O ever gracious	305	And trust Thee, though	524	And whatso'er Thou	685	And wondrous peace	384
And Thou, O God, enjoyed	221	And trusted in our	712	And when clouds are	857	And words of peace	456
And Thou shalt find	127	And trusting in Thy	399	And, when each mortal	655	And works His sovereign	512
And Thou shalt own	737	And truth is crowned	656	And, when earthly things	363	And worldly cares	737
And Thou that, when	772	And tune my lips	87, 99	And, when every blessing's	707	And worship face	779
And Thou, the Lord,	536	And tune our lips	506	And, when I go astray	588	And worship in Thy fear	148
And Thou, who o'er thy	723	And tuned your voice	456	And, when in sin and	101	And worship near Thy	437
And Thou wilt speedily	195	And tuneful notes	763	And, when life's short tale	770	And worships those	591
And though abroad	838	And turn all tears	463	And, when life's working	115	And worthier Thee	778
And though heavens	310	And turned to hopeless	809	And, when like wandering	4	And would mould	243
And though His footsteps	216	And turn'tst my mourning	624	And, when morn again	287	And wreath with flowers	847
And though in sinless	393	And 'twere an idle	596	And, when mortal life	181	And ye, beneath life's	343
And though the hopes	418	And unblest good	525	And, when my task on	848	And yearned, for Thee	448
And though the tempter's	382	And, underneath these	340	And when our hearts	581	And yet believe him	441

And yet beside us	314	Are shrines by Him	511	As my Father	282	At its foot her foot	385
